On Friday, February 5th, CapitalSource Bank hosted a celebration of the completion of the murals on the side of their building. The murals are part of a DRBA beautification project throughout the DRBA District. Rudy Estanque was commissioned to paint the two murals of the University of Redlands. CapitalSource Bank, the University of Redlands and DRBA sponsored these murals and they are stunning. Al Hernandez, Citrograph Printing, spoke on behalf of DRBA and welcomed

Mayor Pat Gilbreath, CapitalSource Manager, Barbara Garcia and Tony Mueller, University of Redlands, as well as the group from DRBA and other attendees. A nice gathering braved the rain and were treated to Martha Green goodies, provided by CapitalSource Bank. Al mentioned a possible walking tour of the downtown murals which would be a great DRBA event. This could be a way for those of you who have never supported a DRBA event to GET INVOLVED!
